

EKANA COSMETICS

Mobile-First E-commerce Application Content, Structure & Requirements Document

Brand slogan: Making beauty feel as good as it looks

Prepared for website planning, mobile UI design, frontend development, backend setup, and content implementation.

1. Project Overview

Ekana Cosmetics is a refined beauty e-commerce platform focused on lip glosses, lip liners, and lashes. The application should present the brand as elegant, luxurious, simple, and trustworthy while making shopping fast and comfortable on mobile devices. This document organizes the provided brand content into a structured mobile-first application specification that can guide design, development, content entry, and launch preparation.

1.1 Primary Application Goal

The goal is to build a clean, mobile-focused online store where customers can discover products, view shades and descriptions, subscribe for updates, understand the brand, and complete purchases with minimal friction.

1.2 Brand Direction

Item	Description
Brand name	Ekana Cosmetics
Slogan	Making beauty feel as good as it looks
Brand personality	Elegant, refined, confident, soft, luxurious, and approachable
Main product categories	Glosses, lip liners, mink lash pairs, and mink lash trays
Primary mobile priority	Easy browsing, clear product information, simple cart access, and fast checkout

2. Mobile-First Website Structure

The website should be designed from the mobile screen upward. The mobile layout should not feel like a reduced desktop site; it should be the primary shopping experience. Key actions must be thumb-friendly, text must remain readable, and product cards must be visually clear.

2.1 Core Pages

Page	Purpose	Mobile Priority
Home	Introduce the brand, show the hero banner, guide users to shop glosses, liners, and lashes, and promote restocks/new arrivals.	Strong first impression, quick product category access, sticky navigation/cart, and clear call-to-action buttons.
Shop	Display product collections and allow customers to browse glosses, lip liners, and lashes.	Large product cards, simple category filter, visible prices, quick add/view buttons, and fast product detail access.
Product Detail	Show individual product name, price, description, features, shade information, product image, and	Large imagery, clear price, quantity selector, add-to-cart button, usage

	purchase actions.	note, and related products.
About	Tell the brand story and communicate the Ekana standard, values, and founder background.	Readable sections, elegant spacing, founder/brand image block, and concise storytelling.
Shipping & Returns	Explain processing time, delivery expectations, return limits, and damaged/incorrect item procedure.	Plain language, clear timelines, and visible customer support direction.
Privacy Policy	Explain customer data collection, use, protection, and limited sharing.	Accessible footer link and readable legal-style content.
Terms and Conditions	Explain platform use, availability, changes, lawful use, IP protection, and liability limits.	Accessible footer link and readable sections.
FAQ	Answer common customer questions about delivery, returns, and sensitive skin.	Accordion layout with short answers and easy scanning.
Contact / Support	Provide email and social media links for help and brand engagement.	Tap-to-email and tap-to-social actions.

2.2 Recommended Mobile Navigation

- Top mobile header with logo, menu icon, search icon, and cart icon.
- Bottom sticky action area on product pages containing price and Add to Cart button.
- Slide-out mobile menu containing Shop, About, Contact, Shipping & Returns, Privacy Policy, and Terms and Conditions.
- Shop category chips or tabs for Glosses, Lip Liners, Lashes, and Lash Trays.
- Footer links for Shop, About, Contact, Shipping & Returns, Privacy Policy, Instagram, and Pinterest.

3. Homepage Content Specification

The homepage should create a luxurious first impression while guiding users directly into shopping. The content should be concise, mobile-friendly, and visually driven.

Section	Content / Requirement
Hero section	Brand name: Ekana Cosmetics. Slogan: Making beauty feel as good as it looks. Use an elegant banner image supplied by the brand.
Primary calls to action	Shop Gloss, Shop Liners, and Shop Lashes. These should be large touch-friendly buttons or category cards.
New / Restocked section	Highlight newly available or restocked items. This section should appear early on the homepage for quick product discovery.
Brand promise section	At Ekana Cosmetics, beauty is more than appearance. Our products are designed to feel luxurious, effortless, and

	authentic.
Newsletter section	Title: Join the Ekana Circle. Text: Be the first to know about new shades, restocks, and exclusive launches. Include an email field and Subscribe button.

3.1 Mobile Homepage Layout Order

1. Logo/header and cart access.
2. Hero image with slogan and primary call-to-action.
3. Three shop category cards: Gloss, Liners, Lashes.
4. New / Restocked product carousel.
5. Brand promise statement.
6. Newsletter signup: Join the Ekana Circle.
7. Footer links and social icons.

4. Shop Page and Product Catalog

The shop page should be built around simple category browsing. Product information should be short, polished, and easy to scan on mobile.

Category	Product	Product Description	Price
Gloss Collection	Red Theory	A rich, confident red gloss.	₦4,800 per gloss
Gloss Collection	Luminous	A radiant, clear and shimmery gloss.	₦4,800 per gloss

Mink Lash Trays	Mink Lash Tray	Reusable lash tray option for fuller lash styling and stock purchase.	₦14,500 per lash tray

4.1 General Product Feature Notes

Prepared as a structured application content and requirements document

For glosses, the general features should include:

- Non-sticky formula
- Smooth application
- High shine finish

4.2 Product Card Requirements

- Use a clean product image with enough whitespace and shade accuracy.
- Show product name, short description, and price directly on the card.
- Include either a View Product button or Quick Add button.
- Keep product cards large enough for mobile touch interaction.
- Use consistent pricing format: ₦4,800, ₦3,000, ₦3,500, and ₦14,500.

5. About Page Content

5.1 The Ekana Standard

At Ekana Cosmetics, appearance is guided by the philosophy of beauty that feels good. Each product is created with intention, designed not only to enhance appearance but to deliver a luxurious, comfortable experience with every wear.

Our formulations are designed with versatility in mind; however, we recommend conducting a patch test to ensure compatibility with your skin.

5.2 Brand Story

Our brand is built on a commitment to quality and elegance, where refined textures, thoughtful shades, and timeless finishes come together to create beauty that feels effortless yet sophisticated.

Ekana Cosmetics was founded by Ekana Elliott, a makeup artist and beauty aficionado from Nigeria whose discerning taste and deep appreciation for beauty inspire the brand's vision. With an eye for detail and a passion for cosmetics, she created Ekana Cosmetics with tastes that all makeup lovers can trust.

At its heart, Ekana Cosmetics is an invitation to experience beauty with confidence, refinement, and ease.

5.3 Brand Values

- Confidence
- Simplicity
- Luxury textures
- Inclusive beauty

6. Mobile-Focused Design and User Experience Requirements

The application should be optimized for customers browsing from phones. Every major page should be reviewed first on common mobile widths before desktop refinement.

Area	Requirement
Responsive layout	Design mobile screens first, then expand to tablet and desktop. Use single-column layouts on mobile.
Tap targets	Buttons, menu items, quantity controls, and cart actions should be large enough for easy tapping.
Product imagery	Use high-quality compressed images with consistent aspect ratios. Product photos should load quickly and remain sharp on mobile displays.
Typography	Use elegant but readable font sizes. Avoid long blocks of text on mobile; use headings, spacing, and accordions.
Performance	Compress images, lazy-load product images, minimize scripts, and keep checkout flows lightweight.
Cart access	Cart icon should remain easy to reach from the header. Product pages should have a visible Add to Cart action.
Checkout flow	Keep checkout forms short. Use autofill-friendly fields for name, phone, address, email, and delivery details.
Accessibility	Maintain readable color contrast, descriptive alt text for images, clear labels on forms, and keyboard-accessible controls.
Trust cues	Display delivery timeframe, return policy summary, customer support contact, and secure payment messaging near checkout.

6.1 Recommended Mobile Components

- Mobile product carousel for new/restocked items.
- Category tiles for Glosses, Liners, Lashes, and Lash Trays.
- FAQ accordion to reduce scrolling.
- Sticky checkout/cart summary on cart page.
- Bottom sheet or drawer cart preview after adding a product.
- Email subscription field with clear success and error states.
- Social media links as tappable icons for Instagram and Pinterest.

7. Customer Support and Footer Content

7.1 Customer Support

- Email support link
- Social media links

7.2 Footer Structure

- Shop
- About
- Contact
- Shipping & Returns
- Privacy Policy

7.3 Social Icons

- Instagram
- Pinterest

8. Shipping and Returns Policy

At Ekana Cosmetics, we are dedicated to delivering an elevated and seamless shopping experience. Orders are carefully processed within 1-3 business days, after which they are entrusted to our delivery partners. While we strive for prompt delivery, timelines may vary depending on location and external logistics, for which Ekana Cosmetics assumes no liability.

In line with industry hygiene standards and to preserve product integrity, all purchases are deemed final. Notwithstanding, where an item is received in a defective, damaged, or incorrect condition, customers are required to notify us within 48 hours of receipt, accompanied by verifiable evidence.

Upon due assessment, Ekana Cosmetics reserves the right to provide an appropriate remedy, including replacement or store credit, at its sole discretion.

8.1 Shipping and Returns Mobile Display Notes

- Show a short delivery summary on product and checkout pages: Orders are processed within 1-3 business days; delivery is typically 2-5 business days in major cities.
- Use clear wording for final-sale hygiene policy.
- Make the 48-hour damaged/incorrect item reporting window visible in the policy page and order confirmation email.
- Provide a support email or contact method beside the policy summary.

9. Privacy Policy

Ekana Cosmetics is committed to safeguarding the confidentiality and integrity of your personal information. All data collected, including names, contact details, and payment information, is obtained solely for the purposes of order fulfillment, customer engagement, and the enhancement of your shopping experience.

We employ appropriate security measures to protect your data and ensure it is neither sold nor improperly disclosed. Limited sharing may occur only where necessary for service delivery or as required by applicable law. Continued use of our platform constitutes your informed consent to this policy.

Note: This privacy content is suitable as a draft for a startup website, but it should be reviewed by a qualified legal professional before public launch.

10. Terms and Conditions

By accessing and engaging with the Ekana Cosmetics platform, you acknowledge and agree to be bound by these Terms and Conditions. All offerings are subject to availability, and we reserve the right to amend product details, pricing, or discontinue items at our discretion without prior notice.

Users undertake to interact with the platform lawfully and in good faith, refraining from any misuse, fraudulent conduct, or infringement of the brand's intellectual property. To the fullest extent permitted by law, Ekana Cosmetics disclaims liability for any indirect, incidental, or consequential damages arising from the use of its products or services.

Note: This terms content is a structured draft and should be reviewed before launch, especially for payment processing, delivery obligations, refunds, and consumer protection compliance.

11. Frequently Asked Questions

Question	Answer
What is your delivery timeframe?	Orders are typically delivered within 2-5 business days in major cities, with slight variations for other locations.
Do you accept returns or exchanges?	In keeping with strict hygiene standards, we do not accept returns unless a product arrives damaged, defective, or incorrect.
Are Ekana Cosmetics products suitable for sensitive skin?	Our formulations are designed with versatility in mind; however, we recommend conducting a patch test to ensure compatibility with your skin.

12. Development Requirements for the Mobile-First Application

The following requirements can be used by the design and development team to build the application in a practical, scalable way.

Feature Area	Recommended Requirement
Frontend	Use a responsive frontend with reusable components for hero section, product cards, category filters, product detail page, cart drawer, policy pages, FAQ accordion, and footer.
Product data	Store product name, category, price, description, image, inventory status, features, and active/inactive status.
Cart	Allow add to cart, remove from cart, quantity update,

	subtotal display, and checkout summary.
Checkout	Collect customer name, phone, email, delivery address, order notes, and payment confirmation/status.
Admin	Allow admin to create, edit, hide, and restock products; manage orders; update homepage featured products; and edit content pages.
Newsletter	Save subscribed email addresses and show success/error confirmation on mobile.
Image storage	Use optimized images for product photos and banners; keep file sizes low without losing visual quality.
Analytics	Track product views, add-to-cart events, checkout attempts, successful orders, and newsletter signups.
Security	Protect admin routes, validate form inputs, use secure payment integration, and avoid exposing private API keys on the frontend.
